1	BUK Chardonnay 2013 Montenegro	13.75% €8.00 (€10.00) purchased from a Family Wine Producer in Montenegro	A good wine and good value for money.
2	Zilavka Bosnia Hertzegovina	€11.70 Mercator Supermarket Bosnia Hertzegovina	Disappointing.
3	Shesh i Bardhe Albania	16% €5.82 Carrefour Albania	Just about drinkable.
4	Dingac 2008	15.6% €28.30 Dubrovnik, Croatia	Terrible and considering that the last Dingac was our favourite wine in Part 1 of the tour it was very dissappointing.

5	BUK Marselen 2011 Montenegro	13.7% €8.00 (€10.00) purchased from a Family Wine Producer in Montenegro	Again good value and a nice wine.
6	Alexandre The Great Greece	12% €7.68  Kastoria, Greece	Not quite disinfectant but good for the drain.
7	Skovin Winery Kale 2011 Macedonia	13% €7.68 Border Shop, Macedonia	Drinkable, nothing special.
8	Rahoveci Valley Kosovo	11% €5.35 Oaza Supermarket Pristina	A nice wine at a good price.
