Most of the wine tasters
 thought this was
 Freixenet or a Sparkling
 Saumur. No-one got
 anywhere near the price.

Suggestions that this
 was a cheap crement or
 a Prosecco. A few did
 get it rich.

3	White 1 Sancere Domaine Naudet 2017	Shop Leclerc 13.5% €10.90	Gabs was bang on correct guessing that this was a Saumur Chardonnay. Everyone underpriced it. One of Chris's favourite wines.
4	White 2 Wofberger Gewurztraminer 2017	Shop Leclerc 13% €8.45	Immediate and accurate. Everyone guessed this correctly but not the price. Wine does seem to have gone up in price in the last few years. Bring back the yellow vests.
5	Rose 1 Les Caracteres Cabernet Anjou 2017	Shop Leclerc 11% €3.89	Again most got this correct and as I call in on friends this is often in the fridge.
6	Rose 2 Bandol Lafran-Veyrolles 2017	Shop Cavavin 13.5% €15.50	Quite a dry wine and this time it was not corked. Chris doesn't like rose wines but likes this one. No-one got anywhere near with the price with most guessing under 6 Euro.
7	Red 1 Fleurie Dom Lacondemine 2017	Shop Leclerc 12.5% €7.50	Bourgogne, Cotes de Rhone - all in the right area but in fact a Beaujolais and a lovely one at that. Price guesses were all more than the actual price. Who was it that guessed 16.99 ??

8	Red 2 Les Rogelins Saumur Champigny 2010	Shop Leclerc 13.5% €20.90	<p>Without doubt the best wine of the night with guesses of Cote du Beaune, Nuits St George, St Emillion.</p> <p>A really nice wine with one person offering to pay 28 Euro while Julian thought his favourite wine was only worth 1.99.</p>
